From S. D. PEARS, Esq., Superintendent of Works, No. I Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 25th January 1896, No. 191 C. E.

With reference to the remarks of the Examiner against item 1 of the statement of objectionable items for November 1895 (purchasing mortar mill engine estimate Rs. 1,850 and expenditure Rs. 2,023), I have the honour to enquire whether the orders of Government on objectionable item statement for October, item No. 3 (G.O. No. 64 I., dated 18th January 1896), are to be taken as a final disposal of the item, and if not I beg that the excess of Rs. 173 may be sanctioned as it was due to the purchase price of the mill at Bombay having been more than the estimate.

Order—No. 124 I., dated 5th February 1896.

The Examiner of Public Works Accounts is authorized to pass the expenditure incurred on the item referred to.

2. This sanction is registered as No. 188 I. of 1895–96.

3. Orders regarding the funds required to cover the excess outlay on the item will be passed on the closure of the construction estimate for the Periyár project.
